Reid Handyman

REID HANDYMAN VS. THE COMPETITION

GENERAL SERVICE CALLS

While other companies start their call-outs and service calls at \$60 or more per hour (all the way up to \$80 for select services), Reid Handyman always has a flat rate of \$40 per hour, no matter what the job!

AIR CONDITIONING REPLACEMENT

One of the costliest repairs a homeowner will incur is a complete air conditioning system replacement (including inside air handler and outside condenser). Other vendors charge anywhere from \$2850 to \$3500 for a 2 ton straight cool system. For that same system, Reid Handyman's charges start at just \$2250 installed!

APPLIANCES

Need a new garbage disposal? The other guys charge you \$195 to replace. Reid Handyman puts a new one in for under \$150! We also handle major appliances, and while other vendors may try to sell you "gently used" stoves for \$400, we can supply a brand new unit at the same price (or less)!

WHEN YOU ADD UP THE SAVINGS, USING REID HANDYMAN REALLY DOES MAKE SENSE!

*50% Savings on complete unit turns versus competitors.
Average savings on general jobs is approximately 25-30% versus competitors.
